Dear Families,

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers and instructional assistants who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at (813) 985-3223.

The table below only lists teachers who are currently Out-of-Field; In-Field and Substitute Teachers are not listed. You will be notified when the information in this table changes throughout the school year.

Substitute Teachers are not listed; if you have questions or concerns about the qualifications of our Substitute Teachers, please contact the school at (813) 985-3223.

Sincerely,

Maynard Harvey
